

THINGS TO NOTE BEFORE ENTERING LANEWAY FESTIVAL SINGAPORE

Whether this is your first time at Laneway Festival Singapore or if you are a regular, please take a moment to read these simple guidelines to ensure a hassle-free, safe and enjoyable day! By keeping to the guidelines, no one will have their view blocked by umbrellas, or have to sneak their booze in (we have kept our F&B prices low). **Reminder:** We are giving out a free bottle of water and poncho to everyone at the entrance (while stocks last).

WRISTBANDS

Worn on your RIGHT WRIST at all times.

Secured tightly and visibly, with no more than a two-finger spacing between your wrist and the wristband.

Tampered or damaged wristbands will be considered void, and will not be replaced.

Festival Staff reserve the right to escort you off the Laneway site at any time, should you be found without a properly secured wristband. If in doubt, please approach Festival Staff for assistance.

NO RE-ENTRY

We have a strict no re-entry policy for safety and security reasons. If you leave the Laneway site during the festival, you will not be granted re-entry. So make sure if you leave the festival gates, you are ready to end your Laneway experience.
